needless to say, would retard the soul growth, and would not serve any end. We are, as it were, throwing out many Celestial hints at this time due to the importance of the times, and I rejoice that so many of you have been so quick to respond.

Blessings and Love,

Beloved Ones:

knowing your interest in the great half-yearly Councils, I have asked My Beloved Son, Kuthumi, to give you a resumé of the scenes enacted there, the events leading up to the petitions to the Lords of Karma, and the considerations taken into account by that August Body before these Dispensations are granted.

Dear Friends of Love and Light:

The Beloved Maha Chohan has asked Me to touch lightly upon the activities preceding the Grants in the half-yearly Cpuncil, and with your permission, I shall endeavor to do so.

When the Great Lords of Karma gather and take Their Thrones at the Mighty Conclave in your own beloved Rocky Mountains, opportunity is afforded to every Master, every Retreat, every Angel, Deva, Cherubim and Seraphim Whose Life is dedicated to the forwarding of God's Plan on the Earth, to apply for and receive energy to further increase the manifestations of Their particular plan or petition. Of this you are already aware.

The Grants and Dispensations, up until the last few years, were dependent entirely upon the

energies We could secure at inner Levels, because there was no way of contacting the outer minds of the millions who would voluntarily contribute their energies if they knew of the activities taking place; but since you have responded so marvelously, so happily, so whole-heartedly to Our Endeavors; since you have directed your energies and your consciousness to Our Conclaves and Meetings, the energy has been increased a thousand times over that which was Our offer before the Karmic Board in the past. Therefore, for every petition We make now (if the students are aware of them in advance) We can offer the combined energies of all the students, whether they belong to Sanctuaries or pursue their course at home, and for every one petition granted in previous times, We now receive one hundred. Can you understand what that means?

I have seen Beings from China and India who have made the same petitions for ten thousand years - some wonderful plan for relieving mankind's mental or physical distress, and at the completion of their plea, not one soul stood and offered his energy to help them. At the next Council, the same kindly, patient Individual would present His plan again - with the same negative results. You will realize then how I felt when every petition that was offered received response, and when the souls among the human race yet unascended stood and offered their energy, every Masters' face shone with acknowledgement and gratitude for the energy offered Them in forwarding the Cause so close to Their dear hearts.

You will be pleased to know that I have received a Grant for something for which I have been asking for a long time; that is to equalize the

development of the seven bodies of the students and chelas. It was after this that We sat together, the Divine Director, Lord Maitreya, the Maha Chohan and Myself, and We developed a series of talks which would enable you to understand and feel Us as Persons, and so develop the feeling between Us as between two individuals, and that association through the veil is not fraught with magic, fear or uncertainty. That is why We come to you now in these informal talks that you might enter into that friendship with Us which is built upon cooperative endeavor. So - be happy, be joyous, be loving in Our mutual Love and Friendship.
